Environmental Policy Statement

P W Gates seeks excellence in every aspect of our business and is committed to minimizing the environmental impacts of our business operations. In our ever changing world products and services are constantly in demand and making sure they are delivered safely with a minimum effect to our environment is paramount.

Our commitment is to:

- Continuously improve our environmental performance and integrate recognized environmental management best practice into our business operations.
- Reduce our consumption of resources and improve the efficient use of those resources.
- Measure and take action to reduce the carbon footprint of our business activities to meet our objectives and targets.
- Manage waste generated from our business operations according to the principles of reduction, re-use and recycling.
- Manage our business operations to prevent pollution.
- Ensure environmental, including climate change, criteria are taken into account in the procurement of goods and services.
- Comply as a minimum with all relevant environmental legislation.
- Review our environmental policy regularly.

This statement represents our general position on environmental issues, and the policies and practices we will apply in conducting our day to day business.

Signed.....
